PROFESSIONAL EXPERIENCE

Zartek Technologies

Jan 2022 - Sept 2023

React Developer

- Crafted an entire web application using React and seamlessly deployed it to cloud servers.
- Collaborated extensively with client relationship managers to accurately gauge project estimates.
- Mastered in cloud deployments by utilizing Docker and Kubernetes
- Pioneered the knowledge of server provisioning, scaling and managing cloud resources by practicing.

Dat Tech Lab

Dec 2020 - Dec 2021

Full Stack Developer

- Created reusable React components alongside RESTful API using both React and Node.js.
- Recognized, and arranged tasks within the software development life cycle for project management.
- Displayed leadership prowess through the mentorship of junior developers.

Agilecrew

Aug 2019 - Nov 2020

Junior Software Developer

- Collaborated within a development team to construct React applications and resolve glitches.
- Embraced the practice of technical writing and project documentation.
- Comprehensive understanding of agile software development methodologies by practicing.

KEY PROJECTS

- **Tonico Smiles**, a web based ecommerce platform for groceries // *Frontend Developer*
Technologies used - React.js, Redux, Firebase, Bootstrap, Razorpay
- **Shopio**, a forecasting-centric inventory management application // *Full Stack Developer*
Technologies used - React.js, Node.js, Firebase, Redux, MUI

EDUCATIONAL QUALIFICATIONS

- Loyalist College of Applied Arts and Technology, Toronto
Ontario College Graduate Certificate - Computer Software And Database Development
- Amal Jyothi College of Engineering, India
Bachelor of Technology - Information Technology

ACCOMPLISHMENTS & CERTIFICATIONS

- Achieved the top performance accolade three times while employed at DAT TECH LAB.
- Achieved Dean's List certificate in recognition of significant academic achievement in the program Computer Software and Database Development.
